CROSSTALK

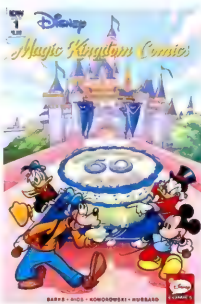

An Irregular Duckburg/Mouseon Update

What's your favorite Disney Parks attraction? Is it that cavalcade of corsairs, *Pirates of the Caribbean*? Or that round-trip ticket to Hades, *Mr. Toad's Wild Ride*? How about Toy Story Midway Mania!—or The Many Adventures of Winnie the Pooh?

I'm David Gerstein, IDW Archival Editor; and as a 1980s kid, I loved the **Main Street Cinema** best. While today, all the classic Mickey and Donald cartoon shorts are out on DVD, back then only a few could be viewed at home. To visit the Cinema, then, was to dive into a special thrill: **six screens of vintage Mickey** on constant repeat! A trip to the Cinema, at the start of a Disneyland tour, was just the thing to keep Mouse and Duck vibes with me throughout the day. All the better to imagine my heroes taking in the rides and adventures too!

And it seems many shared my view. For throughout the history of Disneyland, Walt Disney World, and Disneyland Paris, Mickey and Donald fans have been busily chronicling their adventures there! One comics tie-in after another has shown Mickey carousing with Country Bears, or Scrooge chasing Beagles through New Orleans Square—even **Goofy on trial** as Alice's Queen of Hearts! (Donald always said he'd lose his head one day.)

Now IDW is celebrating **sixty years** of Disney Parks, and you're invited to the party! Get ready for **Disney Magic Kingdom Comics #1**, the first of a two-issue commemorative series—with Disney Comics masters, from Carl Barks to Unn Printz-Pålsson to Giorgio Cavazzano, bringing the Parks to you in one ripping yarn after another. Even a few making their North American debut!

You'll find Barks' Uncle Scrooge on the Mark Twain Riverboat... reliving a "**Fantastic River Race**" from his sailor youth! It's the longest story Barks ever told of Scrooge's life—decades before Don Rosa's

famous follow-ups. But that's not all! We've got Al Hubbard's "Goofy in Fantasyland"; we've got an epic pirate saga with *Magica De Spell*... all this and yes, the Country Bears too. It's Disneyland, Walt Disney World, and Disneyland Paris in one: it's **Disney Magic Kingdom Comics**...

And it's still just **one** of our offerings for you this June! Still saddled with Ellroy—Ellsworth's adopted

mynah bird brat—Mickey finds trouble outside the Parks in *Mickey Mouse* #13: even before the evil arrival of Pegleg Pete, Trudy Van Tubb, a sinister sailor... and an **amazing set of Napoleonic heirlooms!** Tackle this tantalizing new-to-America treasure hunt by Romano Scarpa...

Then stick around for another Scarpa landmark in *Donald Duck* #14: the return of Donald's super-sneaky alter ego! "**Revenge of the Duck Avenger!**" consolidates our boy's secret identity—as he gains a hideout, a super car, instant amnesia pills... and an even more embarrassing feud with Scrooge, Gladstone Gander, and Daisy. The battling even spills over to our backup tale: in the hands of fan favorite Daan Jippes, "**Cookie Capers**" turn catastrophic when Donald and Neighbor Jones get cooking!

Rounding out the month are *Uncle Scrooge* #15 and *Walt Disney's Comics and Stories* #732... each with another milestone on board! "Scrooge's Last Adventure," Part 3 of 4, finds **impooverished Scrooge** prepping for a new battle with Flintheart Glomgold and John D. Rockerduck... but he first must make peace with some other classic Golden Age enemies: it's the return of the underground earthquake-making Terries and Fermies! And speaking of earthquakes... who knew?

Comics and Stories finally wraps up "**The Search for the Zodiac Stone!**" In the nailbiting climax of our year-long serial, the mystic Stone is back together again, but who gets to tell the future: Mickey, Donald, and Scrooge, or Pete and the Phantom Blot?

From Disney Parks to perilous prophecies, our heroes and villains are in for some thrills. Come along and join the club: Editor Sarah Gaydos, Editor-in-Chief Chris Ryall, and I officially proclaim you welcome as can be. We might even save you a churro!

After one more trip to the Main Street Cinema. [DG]

FROM THE PUBLISHER'S DESK

Ted Adams here. I'm going to be your monthly guide through the IDW/Top Shelf checklist, pointing out our big hits and bringing your attention to some gems that you might otherwise miss.

Kevin Eastman and I have been friends for longer than either of us would like to admit so it was a particular treat for me when IDW picked up the rights to publish *Teenage Mutant Ninja Turtles* comics back in 2011. Kevin's been an integral part of our creative team for the entire run—co-writing the books with Tom Waltz and providing covers for

every issue. This month our regular series reaches issues #59—making it one of the longest-running comic series in stores today.

June 3rd sees the release of Paramount's *Teenage Mutant Ninja Turtles: Out of the Shadows* and we've got a new Turtles mini-series that will be fun for fans new and old. Ben Bates and Dustin Weaver are writing the five-issue

Bebop & Rock Steady mini-series that will ship weekly throughout June. Ben and Dustin are joined by a great group of artists—Dustin Weaver, Sophie Campbell, Giannis Milonogiannis, Damian Couceiro, Nick Pittarra, and Ryan Browne—and Nick Pittarra has turned in five amazing covers that make one enormous TMNT image. Kevin is also doing a rare variant cover for the first issue.

While we're talking about Kevin, I hope if you're ever in the San Diego area, you'll check out IDW's *San Diego Comic Art Gallery*. Curated by Kevin, the gallery has his replica studio—filled from floor to ceiling with TMNT memorabilia and the things that inspire Kevin—as well as a series of regularly rotating exhibits. In June, we're going to be featuring *Berkeley Breathed* and *Bloom County*.

While there isn't a new *Transformers* movie this year, June sees the launch of *Transformers: Till All Are One* by Mairghread Scott and Sara Pitre-Durocher. In our regular ongoing *Transformers* series, *Optimus Prime* is busy conquering Earth and the *Lost Light* is exploring space. This all-new series will explore what's happening on Cybertron.

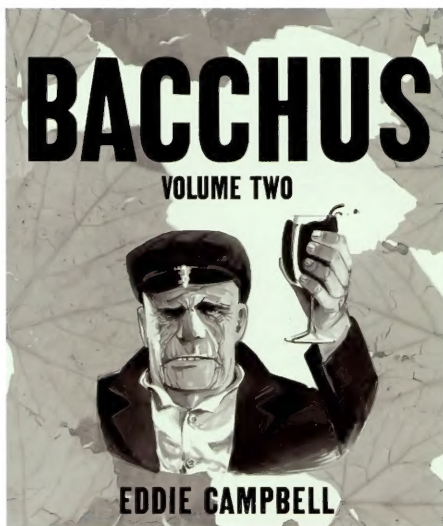

In other Hasbro news, June also sees the release of *Action Man* #1 by John Barber and Paolo Villanelli. In the U.S., we had G.I. Joe and in the U.K., they had Action Man. You may have already seen a preview of

Action Man in our *Rom* #0 Free Comic Book Day comic but either way, get ready for an all-new take on the ultimate British special agent.

I'm very happy to report that *Locke & Key* creators, Joe Hill and Gabriel Rodriguez, have reunited to bring us *Tales From the Darkside*—a four-issue mini-series that re-imagines the classic TV series for an all-new audience. And if you haven't read *Locke & Key*, stop whatever you're doing right now and pick up a copy of the first book. I guarantee you won't be able to put it down.

Library of American Comics has the third volume of *Walt Disney's Donald Duck: The Daily Newspaper Comics* out in June. Over 750 sequential daily strips from 1943 to 1945, written by Bob Karp and beautifully illustrated by Al Taliaferro.

Top Shelf has two books this month—Eddie Campbell's *Bacchus: Omnibus Edition* Vol. 2 and Benjamin Frisch's *The Fun Family*. With *Bacchus*, Eddie brings us more than 500 pages of the gods

and myths of ancient Greece brought to modern life. *Fun Family* is Benjamin's debut graphic novel and it explores the darker side of an artist who draws a comic strip about the quintessential wholesome American family.

I hope you've been enjoying *Wynonna Earp*—Friday nights at 10/9c on Syfy. Season one wraps up on June 24th with some big changes for all of our characters.

Another diverse month for us and I can't wait for next month's column where I'll be telling you all about the return of *Rom*!
